

Mike Warren

Who is Mike Warren?

Mike Warren is an internationally known business maverick, wealth coach and investor. Michael holds a double MBA, and is President of a diversified consulting firm. TV and radio show hosts call Mike **America's Premiere Bad-Debt Financial Strategist** because of his laser-like focus and ability to get deals done.

Mike started in the business over 20 years ago and since then has bought and sold hundreds of properties that required little or none of his own money. Mike has developed the simplest approach to making money from property you never have to buy. Using his **Judgment & Lien Money Machine** he has perfected the art of optioning the debt attached to property as a way to totally eliminate any risk whatsoever and put tons of cash into your pocket without buying or selling any property regardless if it is residential or commercial.

Mike has appeared on stage with celebrities such as Sir Richard Branson, Donald Trump, New York Mayor Rudy Giuliani, Robert Kiyosaki, Steve Wozniak (co-founder of Apple) and many more. Mike teaches only what he has personally accomplished and has taught people in the United Kingdom, Australia, Dubai, The United States and Canada how to make fast, easy, and consistent profits using his innovative, creative, and proven techniques. Mike has appeared on television, has contributed articles in numerous real estate and related publications and speaks nationally and internationally on a regular basis to small and large groups.
